SUBJECT: GENERAL Operational INITIATIVE
SPECIAL D.L. W. BEISNER & Firm called Egyptian Continental Trade Co.
(BEISNER AND HERTSLETT)
Ref: NECA-916

The Economic Section of the Embassy has produced the following information on Beisner and Hertslett's firm:

Business reputation bad. Not recommended as agents. Avoid dealings with them. At one time they were representing themselves as acting on behalf of the Bonn Government, trying to foster Egypto-German trade relations. Nobody gave them this right. They are blacklisted with the German Embassy, Cairo, and the Egypto-German Chamber of Commerce, Cairo. Apparently they dispose of no means. A one time they were backed by Abd al-Halim who is now interned.
